SECTION 6: CUSTOMER SIGNATURE - Terms and Section Conditions

1. I certify that I am an eligible SoCalGas and LADWP customer and that I purchased and installed the indicated energy-saving products on or after January 1, 2017. I have attached documents establishing paid proof of purchase for the items applied for on this rebate form. I understand that incomplete and incorrect applications will not be processed.
2. I will allow, if requested, a representative from SoCalGas, LADWP, the California Public Utilities Commission (CPUC) or any authorized third party reasonable access to my property to verify the installed product before a rebate is paid. I understand that a rebate will not be paid if I refuse to participate in any required verification. I understand that SoCalGas may contact the qualifying product vendor and/or installer to verify purchase and/or installation and may provide my name and/or address to complete this verification.
3. I understand that this project may be selected for evaluation studies and/or program measurement by external contractors appointed by the CPUC and/or LADWP. These studies are used to analyze and improve program performance. I agree to participate by responding to inquiries from these external contractors.
4. I certify that the information on this rebate form is true and correct, and that the tax ID provided is accurate. I understand that rebate payments are based on related energy benefits over the life of the product. I agree to:
 - Maintain the energy efficient measure specified in the rebate form 100% functional for the life of the product or a period of five (5) years from receipt of rebate funds, whichever is less, and
 - Continue to be a customer of SoCalGas and LADWP during said time period.
5. **If the above ceases to be the case, I shall refund a prorated amount of rebate dollars to SoCalGas based on the actual period of time for which I provided the related energy benefits as a customer of SoCalGas. I understand that this program, or individual measures, may be modified or terminated without prior notice.**
6. I understand that this rebate form and the paid itemized invoice must be received at SoCalGas' Central Processing Center or postmarked no later than December 31, 2017. I acknowledge that I would not have undertaken an energy-efficiency equipment upgrade at this time if SoCalGas had not offered a monetary rebate.
7. **In no case will the utility pay more than 100 percent of the actual purchase price of the items to be rebated or the maximum allowance per unit. Sales taxes are not included in the item's purchase prices.**
8. This program has a limited budget. Rebate forms will be accepted on a first-come, first-served basis, until allocated funds are no longer available, or by December 31, 2017.
9. I have not received rebates, incentives or services for the same equipment from other utilities, states or local programs funded by the Public Purpose Program Surcharge (PPPS). However, I understand that water utilities are not funded by the PPPS and I may apply for their rebates.
10. I understand rebates are taxable, if greater than \$600 for business customers, and will be reported to the IRS on Form 1099 unless I have identified myself as a corporation or exempt. I am urged to consult my tax advisor concerning the taxability of rebates. SoCalGas and LADWP are not responsible for any taxes that may be imposed on me or my business as a result of receipt of this rebate.
11. The selection, purchase and ownership of equipment are the sole responsibility of the customer. SoCalGas and LADWP make no representation as to the safety, reliability and/or efficiency of the equipment. **SoCalGas and LADWP make no warranty, whether expressed or implied, including warranty of merchantability or fitness for any particular purpose, use or application of any product installed in connection herewith.** I waive any and all claims against SoCalGas, LADWP and its affiliate companies arising out of activities conducted on behalf of SoCalGas in connection with my application for any rebate(s) under this program. None of such parties shall be liable for any type of damages, whether direct or indirect, regardless of the form of action.
